When your mind and heart are truly open abundance will flow to you effortlessly and easily". By Deepak Chopra™ MD, Brian J. Fertig, MD and Jack A. Tuszynski, Ph.D., D.Sc....

Is Metabolism the Key to Disease and Aging? - The greatest mystery about metabolic energy, however, is negative entropy, the state where heat builds up rather than flowing away, and the human body is a miracle at doing this. Metabolism is a process of renewing every cell's energy supply, not just offsetting the heat our bodies give off, but trapping energy to deploy it, not simply to keep us warm, but to accomplish the amazing processes behind hearing, seeing, and thinking - Read more...
